

Project # 2 - A Tribute to Fan Ho (12 Photos)

By: Mel Gois

INTRODUCTION

For this project, you are required to submit 12 high quality, bring-a-tear-to-your-photography-teacher's-eye images.

Your aim is to further expand your understanding of your chosen elements (3 to be exact in the Part 1 portion of this project). Replace the black boxes with your own processed .jpgs (please note, the images doesn't have to be rectangular or landscape mode only. Portrait mode is acceptable too).

If you're an online student and have only access to your phone, you may still shoot your images as a .jpg OR Raw (if your phone allows it). Upload your shot to Drive and then from Drive, open and edit your images in Photopea. Steps in processing can be found in the Part 2 post on our class site.

In-class students must shoot their images using a DSLR, in full manual and Raw format only. You are all to use this same template to organize and submit your work. Please don't change the typeface (ie fonts) as you will lose marks on formatting!
